

Together in Love, Faith and Hope

2018/19 Sports Premium allocation £19,020

Purpose of the sports premium

The premium must be used to fund additional and sustainable improvements to the provision of PE and sport and to encourage the development of healthy, active lifestyles.

An analysis of PE activities across classes and Key Stages shows that there is great enthusiasm for physical activity and a willingness to be involved that increases as pupils move through the school.

At SS Osmund and Andrew's we have allocated our funding in the following ways:

Sports premium expected expenditure £19,020			
Activity	Cost allocation	Target group/focus	Outcome/Impact
Provide organised physical activity at lunchtimes	£500	KS1 and KS2 children.	KS2 children to receive training as sports leaders and then use the skills on the KS1 playground.
Employ sports coaches	£8,240	Premier sport to be used to provide additional support in delivering quality PE within the curriculum and also to provide after school clubs all year in a variety of activities.	Increased number of children attending sports and fitness clubs. Provide clubs for all year groups.
Multi-purpose sports pitch	£8,580	Whole school and community use. Provide an all-weather area for PE lessons, sports clubs during the school day and after school provision. Provides a space for the implementation of 'the mile a day' challenge.	Additional outdoor space for all year round use impacting on the quality of physical activities on offer. Fitter and healthier children who enjoy and understand the importance of exercise and keeping fit.
Equipment	£800	Renew EYFS and KS1 PE equipment. Provide playground equipment for lunchtime clubs and sports leaders.	Variety of provision during lessons and after school activities. Well organised lunchtimes that also teach games and keep children active and fit.
Support for healthy lifestyles. 6 week provision for KS2 children on nutrition and healthy eating	£900	Upper key stage 2	Children have a raised awareness of good nutrition and its benefits

linked to healthy lifestyles and fitness
